# BIANCO FLASH

Biancoflash is the Italian word for whiteness and quality and the name for our original brand of calendered paper.

Biancoflash is the support chosen by designers, companies and printers as it is the ideal paper for catalogues and for numerous uses in the field of design, thanks to its excellent printability.

**SHADES OF WHITE**

# DOLCE VITA

Dolce Vita is a natural look paper with an enhanced surface to obtain a print result close to that of a matt coated paper. This paper maintains the tactile characteristics of an uncoated paper but with colour resolution, brightness and image output of a matt coated paper.

The optimal rigidity and the high bulk combined with an unusual and innovative touch feeling makes Dolce Vita the favourite product for any printing and packaging applications.

Dolce Vita  
White  
120g, 200g, 270g

Dolce Vita  
Ivory  
200, 270g

Dolce Vita Prisma  
Soft White

# CONTACT PACK

Contact Pack is a range of papers and boards made with high quality virgin pulp. Optimized for use for folding boxes and cases, tags and POS materials as well as wrapping material for rigid boxes. Ideal for calendars, covers, envelopes and greeting cards. Its natural rough surface, high whiteness, excellent resistance to light combined with superior stiffness and first-class creasing properties make it the definitive product for luxury packaging. Available in white and ivory, it is suitable for offset printing and silk-screen, hot foil and embossing.

Contact Pack is recyclable, biodegradable and FSC™ certified.
